

# MERCKENS® RAINBOW™ LINE

Flavored and Colored  
Confectionery Coatings

# Merckens® Rainbow™ Line of Confectionery Wafers

A Rainbow of Possibilities™

## BASE COATINGS

### COCOA LITE

A smooth, milk chocolate-flavored coating with strong milk notes.

Product Code: 110025229 (50 LB Case)

### COCOA DARK

A dark chocolate-flavored confectionery coating with a medium dark color and rich, alkalized cocoa notes.

Product Code: 110025252 (50 LB Case)

### WHITE

A white confectionery coating rich in creamy vanilla-like flavor and showcasing a silky smooth texture.

Product Code: 110025227 (50 LB Case)

### SUPERWHITE

A confectionery coating with a rich and creamy vanilla-like flavor, silky texture, and a distinct bright white color.

Product Code: 110025226 (25 LB Case)

## FLAVORED COATINGS

### BLACK

A deep midnight color coating with a rich cookies and cream flavor.

Product Code: 130015388 (25 LB Case)

## COLORED COATINGS

All colored coatings showcase a vibrant appearance, offer a pronounced milk taste and rounded with vanilla flavor, and have a viscosity of 80.

### ORCHID

Product Code: 130007133 (25 LB Case)
